Country: Sweden
Release date: 2012-04-30
Licenses: [Creative Commons by-nc-sa/3.0](#)

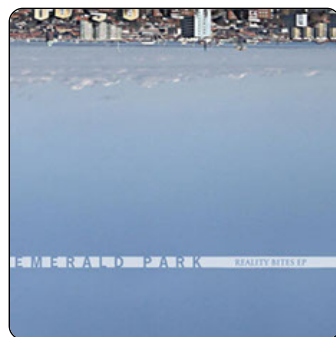

Often described as "Sweden's slowest band", this time Reverend Big O from Malmö explore the album formula rather than the pace. The album is put together as one long single breath and the idea that the whole is greater than the sum of its parts. The music is rooted in 90's shoegaze sounds like Slowdive, My Bloody Valentine etc. as well as post-rockers like Godspeed You! Black Emperor and Explosions In The Sky. [Read more »](#)

Title: Jellyfish Heaven EP
Label: 23 Seconds Netlabel
Cat: [sec.039]
Genre: Electro / Dance / Shoegaze
Country: The Netherlands
Release date: 2009-12-09
Licenses: [Creative Commons by-nc-nd 3.0](#)

Cosmic Spring brings electronic music with a real 'live' touch. Vibrant long threads of psychedelic notes, warm harmonies and cool floatations, hypnotic guitar repetitions, weird SFX, full throttle basses and lots of pounding breakbeat drum. This is a band that loves old analog synths, obscure instruments, space distortions and noise enhancing stuff. [Read more »](#)
